AUDIT EXECUTIVE SUMMARY:

The facility is located in the V. Marchese Produce building located at 600 S. Jake Marchese Way, Milwaukee, WI and includes 59000 square feet of space. Facility shares the building with Cut Fresh LLC but operations are separate. Products are received, stored and shipped. Both conventional and organic products are received and stored, while only conventional products are repacked. There are 2 coolers and 4 ripening rooms on site. The repack area is located on one end of the main warehouse, and the tomato repack area is located in the central dock storage area. The facility operates 12 months with approximately 15 repack workers and 85 dock workers and drivers across 3 shifts. There are approximately 30 workers on site at any given time. There is no washing or processing of product. Allergens are stored in dedicated and labeled areas, and include eggs, dairy, cheese items. There are 2 receiving dock doors and 8 shipping doors. There are no critical control points associated with the HACCP program.
